# *Introduction To The Coaching Academy for Leaders*

Welcome to The Coaching Academy for Leaders, where we empower individuals to unlock their leadership potential through world-class coaching programs. Our academy is designed for professionals ready to take their leadership skills to the next level, whether you're an executive, leader, manager, or HR professional.

With a focus on real-world application and personal growth, our programs are grounded in the globally recognized ICF standards. Through our proprietary coaching methodologies, we help leaders drive change, inspire teams, and cultivate lasting impact within their organizations.

# *Corry Robertson: Leading the Way in Leadership Development*

The Coaching Academy for Leaders is spearheaded by our Founder and CEO, Corry Robertson, a globally recognized executive coach and leadership expert with over 20 years of experience. Corry is passionate about helping leaders thrive in challenging environments, with a unique ability to blend performance improvement with the well-being of teams. As an ICF Professional Certified Coach, she developed The Coaching Academy for Leaders to empower leaders with practical coaching skills, focusing on driving sustainable change, enhancing engagement, and creating high-performing, resilient workplaces.

## What Our Students Have To Say

**91%**

Program highly relevant to their work

**92%**

Believe it led to job success

**95%**

Would recommend the program to their peers

**93%**

Intend to apply the principles in their work environment

*“The Coaching Academy for Leaders has been a game changer for me. It brought significant personal insight to my approach as a leader as well as awareness to new opportunities for development that I had never considered. This program sparked an area of interest for my professional leadership development, most importantly growth through self-reflection. Taking the time to slow down, reflect on myself, my learning, and impact on others in a safe learning environment has been a key takeaway for me.”*

Jeanne Weis, MN, RN, LPN, CHPCN  
CEO and Registrar of the College of Practical Nurses of Alberta

# *The Coaching Academy for Leaders Advantage*

Unlike other programs, The Coaching Academy for Leaders is specifically tailored for professionals looking to enhance their leadership skills while learning to coach. You'll be surrounded by peers from across the globe who are also focused on leadership, creating a collaborative environment for growth and shared insights.

# Why Choose The Coaching Academy for Leaders?

We offer a comprehensive, leadership-focused coaching experience that stands out in the industry. Here's why:

## ⊕ Leadership Focus

Our curriculum blends coaching and leadership development, equipping you with the skills to inspire and lead teams effectively.

## ⊕ More Impact, Less Time

Our microlearning format lets you balance full-time work while applying lessons immediately for fast, sustainable results.

## ⊕ Gold Standard Certification

Receive an ICF-accredited certification, the global gold standard in coaching, to boost your credibility as a professional.

## ⊕ World-Class Faculty

Our experienced faculty of certified coaches and leadership experts provide mentorship grounded in real-world experience.

## ⊕ Comprehensive Alumni Services

Year-round, faculty-led mentorship, practical business and skills support, and a trusted peer community, so your coaching, leadership, and visibility keep rising long after graduation.

By choosing **The Coaching Academy for Leaders**, you'll gain world-class tools, credentials, and support to advance your leadership abilities, launch your coaching career, and drive lasting impact within your organization.

“

*If you want a learning experience that allows you lots of opportunities to be involved and put theory into practice this is for you. Not an industrial course grinding out diplomas. Emphasis on developing practitioners. Small groups with engaged and dynamic individuals makes this a good choice.”*

Kevin Wilkins, M.Sc, MBA  
Fisheries and Oceans Canada

## ⊕ Practical, Hands-On Learning

Develop key leadership qualities such as emotional intelligence, executive presence, and self-awareness through experience-based learning.

## ⊕ Real-World Tools for Success

We provide practical tools such as coaching templates, sample contracts, ethical reporting, and ROI tracking, preparing you to succeed in real-world coaching scenarios.

## ⊕ Dedicated Support

Our team of service staff and faculty is available to answer your questions live, offering consistent support throughout your learning journey.

## ⊕ Small Class Sizes

We prioritize personalized attention through small class sizes, ensuring each participant receives focused support and a tailored learning experience.

## ⊕ Global Peer Network

Collaborate with a diverse group of leaders from around the world, building long-lasting professional connections.

# *How The Program Works*

Our approach to coaching certification combines **microlearning sessions** with personalized coaching, creating a flexible learning environment that fits into your busy life. Each program is carefully designed to meet you at your current level and help you achieve the next step in your leadership journey. With decades of research and experience, our programs integrate theory, active engagement, and accountability to ensure sustainable, high-performance results. You'll also benefit from self-assessment tools that help you measure progress throughout your journey.

# Focused Learning Tracks

## *Group Mentor Coaching Program*

Our **Group Mentor Coaching** program is essential for coaches working toward their ICF certification, offering the 10 hours of mentor coaching required by the ICF to earn your ACC, PCC, or MCC credential. Over a combination of 10 hours of group and individual sessions, you'll receive expert feedback from an ICF-certified mentor coach, helping you refine and demonstrate core competencies. This program is focused on honing your real-world coaching skills, fostering self-reflection, and ensuring you meet the rigorous standards necessary to confidently apply for your ICF credential.

## *Impact Ready Leadership Coaching*

Our **Impact Ready Leadership Coaching** track is perfect for managers and leaders who want to sharpen their core coaching skills without the rigor of full ICF certification. This **self-directed** program offers practical tools and coaching strategies you can apply immediately to boost team performance and foster effective leadership. Whether new to coaching or looking to enhance your skills, this course provides a flexible, year-round learning opportunity tailored for today's busy professionals. Begin whenever you're ready and start making an impact!

## *Lumina Spark Psychometric Assessment and Debrief*

Our **Lumina Spark Psychometric Assessment** provides a deep dive into your unique leadership style, helping you gain a better understanding of your strengths, behaviors, and development areas. This offering includes a personalized 42-page report and a one-on-one debrief session with a certified coach. This assessment is included in all core programs but can also be taken as a stand-alone option, making it a flexible tool for those seeking greater self-awareness and leadership growth.

## *Advanced Topics in Coaching Ethics*

Yet another standard that sets ICF Certified Coaches apart from the rest is their dedication to upholding the ethics and standards of the coaching profession, which is a critical aspect that ensures that the consumer is investing in the gold standard of coaching that gets real results.

To ensure this, ICF coaches must invest in a minimum of 3 hours of training in the ICF Code Of Ethics every 3 years in order to renew or advance their credential.

Advanced Topics in Coaching Ethics is an excerpt from Coaching Essentials offering 4 CCEs. This course includes resources to support participants in preparing for mastermind mind sessions where the faculty member facilitates a learning experience designed to build upon collective wisdom through dialogue. Available stand-alone or via Alumni Services: The Elevation Network.

- Topic Week 1: Ethical considerations for External coaching programs
- Topic Week 2 : Ethical Considerations for Internal Coaching Programs

## *Alumni Services*

Stay supported, seen, and steadily advancing, long after graduation. The Elevation Network (TEN) is our private alumni community for students and graduates of The Coaching Academy for Leaders. It's where your coaching skills keep evolving, your business keeps growing, and your professional network keeps opening doors.

## Alumni Services

# *The Elevation Network (TEN)*

### WHY IT'S WORLD-CLASS

Most coaching programs end at “congratulations.” TEN begins there. You get direct access to faculty, multidisciplinary mentoring (ethics, practice, operations, marketing, and social media), practical tools, and a vetted peer network, the kind of holistic, real-world support that’s rare in coach education.

### WHAT'S INSIDE TEN:

#### ✓ Community & Connection

- Private discussion forum, alumni directory, and peer coaching exchanges
- Alumni spotlights and opportunities to contribute on the Coach Bench

#### ✓ Live Learning & Mentorship (Monthly)

- **Soaring** – Supervision and mentoring with Corry Robertson, PCC
- **Business Tools & Operations** – Systems, tools & tech with Stephanie Gafoor
- **Marketing** – Funnels, content, and visibility with Geneviève Rochon
- **Social Media** – Strategy + 1:1 coaching with Katrina Legault

#### ✓ Signature Cohorts (Seasonal)

- **Let's Get Going** – A 4-week group coaching mastermind with Corry Robertson (Spring & Fall) to support you as you get your coaching business off the ground and build momentum.
- **The Coaching Culture Club** – For internal coaches, this is a 4-week group coaching and mastermind session to support you in bringing coaching into your organization.

#### ✓ On-Demand Resources

- Recordings vault (webinars, AMAs, cohorts) and ready-to-use templates
- Bonus learning: Advanced Topics in Coaching Ethics (4 CCEs), ICF Certification Demystified, and Lumina Spark resits

#### ✓ Perks

- Complementary passes for Alumni, early access, and a channel to shape future offerings

# Results of our Alumni Experience

## Better Coaching, Faster

Ongoing feedback loops, real cases, and advanced ethics.

## Confident business growth

Step-by-step guidance to build programs, systems, and visibility.

## A trusted network

Peers and mentors who open doors, share opportunities, and collaborate.

## HOW ACCESS WORKS

TEN is complimentary for active students and alumni of our core programs. Approved members receive login details and immediate access to the forum, calendar of live sessions, and the resource vault.

Bottom line: Alumni Services at The Coaching Academy for Leaders aren't an "add-on." They're an integrated growth ecosystem, built to elevate your coaching, your business, and your leadership for the long term.

# Meet Our Team - Coaching Faculty

At The Coaching Academy for Leaders, our faculty members are not only certified professionals but also experienced leaders who bring decades of expertise to the classroom. With each instructor holding a minimum of an **Associate Certified Coach (ACC)** credential, they ensure that you receive world-class coaching education grounded in **ICF standards**.

Our team's dedication to your success goes beyond teaching—you will benefit from their real-world experience, individualized support, and practical insights. The faculty is committed to helping you **develop coaching competencies**, apply leadership theory, and guide you in becoming a transformative coach.

## *Led by Corry Robertson, PCC*

At the core of The Coaching Academy for Leader's mission is **Corry Robertson**, Founder and Director of Education. Corry is a **globally recognized leadership coach** with over 20 years of experience, working with executives from Fortune 100 companies. As an **ICF Professional Certified Coach (PCC)** and a recognized expert in **organizational culture, leadership development, and human performance improvement**, Corry brings both depth and practical expertise to the program. Her proprietary method blends leadership theory with coaching skills, helping leaders enhance their ability to engage, motivate, and build high-performing teams.

Corry's extensive experience is your advantage. Her approach ensures that **coaching skills are fully integrated into your leadership style**, offering practical solutions for complex organizational challenges. As a student, you will benefit from her award-winning coaching strategies and personal guidance throughout the program.

## *Why Our Faculty Makes a Difference*

The depth of knowledge, experience, and passion our faculty brings to the program sets **The Coaching Academy for Leaders** apart from others. With a team of coaches dedicated to your growth, you'll gain access to cutting-edge coaching practices, hands-on mentorship, and a network of leadership experts. Whether you're looking to achieve ICF certification or develop advanced leadership skills, our faculty is here to guide you every step of the way.

# Successful Outcomes

"Corry's passion, dedication, and generosity shine through her coaching and commitment in building The Coaching Academy for Leaders. With her lived experience, she has created a much-needed dynamic and comprehensive resource and place of belonging for aspiring and established coaches in Canada and beyond."

- **Tina Fideski, Co-Founder, Executive & Artistic Director, OrKidstra**

---

"My experience in learning from Corry and her team at the Coaching Academy for Leaders is changing my practice as a leader in education. We practiced, we reflected, and we gave each other feedback, as an educator I can confirm that this cycle is what effective teaching and learning looks like. I sincerely believe that The Coaching Academy for Leaders is setting the stage for bringing more effective coaches into the world."

- **Aidan De Jean, Principal, St. George's School of Montreal**

---

"The manner that Corry teaches is truly unique and very respectful and promotes learning and retention of the learning. Based on the curriculum, I was able to develop a coaching course for managers which is being rolled out in the United Nations in Vienna and it has been received with fantastic feedback. I thank Corry for her support and the amazing six months that I spent with her."

- **Martina Darnell, HR Partner, United Nations Office at Vienna/United Nations Office on Drugs and Crime**

---

"I have been a student at TCAL since October 2023. I have found the program to be invaluable in my journey of growth, development and discovery. The art of active listening, slowing down in order to move forward, and being present has not only positioned me to be an effective coach, it has made me a better manager and leader in my current role."

- **Juliette Marshall, MS, SPHR, SHRM-SCPSVP, Human Resources, L+M Development Partners LLC**

---

"Corry has built an incredible program that opened my eyes to the world of coaching in a way that was truly invigorating. Her detailed curriculum and personal encouragement to "just get started" helped me move past my initial trepidation and enter into the most remarkably gratifying coaching conversations."

- **Courtney Addy, ACC, Founder and Principal Coach, The Beacon Collective**

---

"The curriculum was well-designed to introduce skills and ideas effectively and was led by skilled facilitators. I am glad I chose this course over the others I was considering because of the emphasis on mindset as well as skills."

- **Greg Rhodes**
